PLASTIC OVERBED TABLES

Dynarex Plastic-Top Overbed Tables feature durable plastic tops that resist warping and allow for repeated disinfecting. Each table includes a height-adjustable base and built-in cupholders for added convenience.

- Heavy-duty, steel-welded H-style frame offers sturdy support and easy access
- Impermeable plastic top resists warping and supports easy disinfection
- Built-in cupholders and raised edges help contain spills and reduce mess
- Four 2.5" swivel casters provide smooth maneuverability
- Two locking casters offer added stability during use
- Spring-loaded lift mechanism adjusts height from 29.33" to 43.30"
- Distributed tabletop weight capacity 50 lb.
- HCPC: E0274
