## HOMECARE BED ACCESSORIES

Dynarex Homecare Bed Accessories are designed to enhance patient safety and caregiver convenience during transport and bedside care. Each accessory features durable steel construction, user-friendly installation, and compatibility with Dynarex Homecare Beds (10400 and 10401).

- Constructed from durable steel for long-lasting use
- Designed for compatibility with Dynarex Homecare Beds 10400 and 10401
- Easy-to-install design for added convenience
- Bed rails feature universal design for compatibility with most homecare beds
- 10463: Telescopes with movement of bed for continuous support (HCPC E0310)
- 10462 & 10466: Features release levers for easy rail adjustment (HCPC E0305)
- 10407: Attaches to headboard and footboard to form a stable rolling platform for bed transport
