

AQUASOOTHE HYDRATING OINTMENT

PROTECTS & MOISTURIZES

WeCare AquaSoothe Hydrating Ointment is specially formulated to help protect and moisturize dry, sensitive skin. Made with 41% petrolatum, the ointment helps preserve the skin's natural moisture and protect against the drying effects of wind and cold weather. The non-irritating, fragrance-free formula is suitable for use on minor cuts, scrapes, burns, diaper rash, and chapped lips. AquaSoothe is available in multiple sizes, including convenient packets ideal for travel kits and tattoo aftercare. Suitable for hospitals, long-term care facilities, workplaces, and home use.
