

Disposable Head Loggs

Foam Orange Blocks

Not made with natural rubber latex.

Disposable Head Loggs are foam-filled, lightweight head immobilizers. These Head Loggs are affordably priced to be disposable, yet durable enough to be reused. The highly visible orange vinyl exterior is both puncture- and water-resistant, while offering a writable surface for easy patient identification. Designed for use exclusively by trained professionals.

- Rectangular (4" x 5" x 10") foam blocks sealed in highly visible orange vinyl, complete with handle and writable surface
- Offers firm yet lightweight support
- Radiolucent
- Can be secured to patient with tape (not included)
- Adjustable to fit children and adults
- Can be used with motorcycle and football helmets
- Designed for easy use and quick application
- Disposable
- Puncture-resistant
- Buoyant and water-resistant for water rescue
