

PILLOW CASES

21" x 30"

Dynarex Disposable Pillow Cases are single-use, 2-ply coverings designed to help guard against spills and stains and help reduce the risk of infection. The non-woven, lightweight pillow cases are soft and breathable for improved patient comfort.

- Single-use, hygienic barrier designed to help aid in infection control
- Absorbent 2-ply construction helps guard against spills and stains
- Disposable for optimal hygiene and patient safety
- Crafted with soft materials to help improve patient comfort
- High-quality materials provide optimal strength and durability
- Lightweight for easy storage and portability
- Ideal for most medical settings, including emergency, urgent care, and exam rooms
- Not made with natural rubber latex or DEHP
