DISPOSABLE LAB COATS WITHOUT POCKETS

ITEM 1982-1986 & 1992-1996

Dynarex Disposable Lab Coats are designed to protect skin and clothes from light dirt, splashes, and spills. Constructed from breathable polypropylene material, these high-quality garments provide a comfortable, non-constricting fit over everyday clothing.

- Offers ANSI/AAMI PB70 Level 1 protection
- Triple-layered polymer material resists moisture, dirt, and spills
- Knee-length garment provides ample body coverage
- Knitted cuffs and collar offer added protection and comfort
- Front snaps allow for quick and easy closure
- Elastic wrists provide a secure fit and reduce the risk of snags and tears
- Reuse or dispose as needed
- Not made with natural rubber latex
