kids toothbrushes

ASSORTED COLORS

Dynarex Kids Toothbrushes are crafted to provide a gentle and thorough dental hygiene experience for children. Featuring soft bristles and a colorful, easy-to-grip handle designed for small hands, these toothbrushes help to make brushing both effective and fun.

- Premium soft-bristled toothbrushes designed to clean gently and effectively
- Individually sealed in clear poly bag for optimal hygiene
- Suitable for children ages 3 and older
- Wide, easy-to-hold handle provides a comfortable grip and improved control for small hands
- Small brush head helps reach back teeth and other hard-to-reach areas
- Fun, colorful design may help to encourage regular brushing
- Replace toothbrush every 90 days for optimal hygiene
- Not made with natural rubber latex or DEHP
